

**We are a Community Interest Company with a mission to influence social change to create a fairer and safer society.**

We are specialists in equality, diversity and inclusion. Our clients include individuals, businesses and organisations across the corporate, public and social purpose sectors.

We have a wealth of knowledge and experience in policy development, project management, research, evaluation and training. We are able to advise our client, and partner organisations, on employment and management, as well as service design, development and delivery.

The Diversity Trust works throughout the UK.

“If you feel we can help you or your organisation, we welcome your enquiries. We look forward to working with you on creating a culture which brings the best out of all the people involved in your organisation, from customers and employees to executives and managers. If you would like to talk to me today about how we can help you and your organisation please contact me.”

**Training**

The Diversity Trust supports companies and organisations with the delivery of in-house and bespoke equality, diversity and inclusion training. We help our clients, and partner organisations, to improve accessibility for their clients, customers, employees and communities.

We also provide training on a range of themes including: cultural awareness, understanding domestic violence and abuse, hate crime, LGBTQ, transgender awareness and mental health and wellbeing.

**R&D**

Over the last 10 years we have been delivering a programme of research and development, with our client and partner organisations, to research the needs of people from diverse communities.

You can read our range of research reports we have published by visiting our website.

**Film-making**

We produce powerful short films to promote equality, diversity and inclusion. We can work collaboratively or project manage the entire production.

# Services

We deliver a wide range of services to reach diverse communities. These include care services, health and wellbeing, hate crime and discrimination and youth services.

## Care Services

We have developed a model to support the creation of inclusive care homes. The toolkit is available on our website: <https://www.diversitytrust.org.uk/careunderrainbow/>

## Hate Crime & Discrimination

We work in partnership with Stand Against Racism & Inequality (SARI) to provide education, awareness and empowerment to diverse communities affected by hate crime and discrimination.
