

Hate Crime Awareness Training for Professionals

The Diversity Trust deliver hate crime awareness training to professionals and organisations.

Workshops can be delivered at your workplace with groups of up to 20 participants. Briefing sessions with larger audiences can also be arranged. Please allow 2-hours for an interactive workshop and up to 1-hour for a briefing session. Online and webinar sessions are also available, please contact us for further details.

Training outcomes:

- Delegates of training sessions report that they have a greater understanding of the impact of hate crime
- Delegates report that they are more aware of best practice and available tools for tackling hate crime
- Delegates report that they know more about the sources of specialist support
